

AIR QUALITY PERMIT NOTICE
Draft Federally Enforceable/Conditional
Major Operating Permit F-06-026
Statewide Environmental Services, Inc.
Source I.D. 21-217-00030

Statewide Environmental Services, Inc. of 356 West Main Street, Lebanon, Kentucky, has applied to the Kentucky Division for Air Quality for a permit to operate a low temperature thermal desorption service at 318 Broad Street, Campbellsville, KY. The plant is classified as a Conditional Major source due to its having potential emissions of criteria (and/or hazardous air pollutants and/or regulated air pollutants) greater than a major source threshold. This permit contains practically enforceable limitations to restrict this source's potential emissions to less than a major source threshold.

An electronic copy of the draft permit should shortly become available at <http://www.air.ky.gov/permitting/>. Copies of the draft permit and relevant supporting information are available for inspection by the public during normal business hours at the following locations:

Division for Air Quality, 803 Schenkel Lane, Frankfort, KY 40601; Division for Air Quality Bowling Green Regional Office, 1508 Westen Avenue, Bowling Green, KY and the Taylor County Clerk's Office, 203 North Court Street, Campbellsville, KY 42718-2298

The Division is soliciting comments on the draft permit and affording the opportunity for a public hearing. To be considered, any written comments or requests for a public hearing must be postmarked within 30 days following the date of this notice. Comments and/or public hearing requests should be sent to Mr. James Morse at the above Frankfort address. Any person who requests a public hearing must state the issues to be raised at the hearing. If the Division finds that a hearing will contribute to the decision-making process by clarifying significant issues affecting the draft permit, a hearing will be announced. All relevant comments will be considered in issuing the final permit. Further information can be obtained by calling Ben Markin at (502) 573-3382 or email at Ben.Markin@ky.gov.
